

British lithium battery pack supplier

Who are Alexander battery technologies?

The latest insights and news updates from Alexander Battery Technologies, delivered straight to your inbox. We are a leading custom battery pack manufacturer in the UK and experts in battery tech, we provide custom battery solutions, and end-to-end manufacturing services.

Where are PMBL batteries made?

PMBL Ltd., located in Chard, Somerset, UK, is a leading manufacturer of custom battery packs, including lithium-ion, lithium-polymer, NiMH, alkaline, and lead-acid options. They serve industries such as electronics, medical equipment, oil and gas, and wearable technology.

Who makes Yok batteries?

Producing over 15 million battery products annually, ABT also offers battery pack design, assembly services, quality assurance, and sustainability initiatives. YOK Energy has been a leading UK battery manufacturer since 2009, providing rechargeable lithium batteries across various industries.

Who are Abt batteries?

With more than 40 years of experience, ABT is a UK-based battery pack manufacturer supporting OEMs worldwide. Across sectors including e-mobility, robotics and medical devices, we provide an end-to-end service covering custom battery design, testing, manufacturing and long-term supply.

We are a leading custom battery pack manufacturer in the UK and experts in battery tech, we provide custom battery solutions, and end-to-end manufacturing services.

Formerly Steatite batteries, Custom Power is a specialist supplier of custom built lithium battery packs, COTS battery modules, portable power and energy storage systems for industrial, ...

Custom Battery Design & Manufacturing We are a UK manufacturer of custom power solutions including battery packs and other mobile power solutions.

Alexander Battery Technologies (ABT) is a UK custom pack designer and contract manufacturer specialising in bespoke lithium-ion solutions for medical, marine, industrial and mobility ...

Yok Energy are a leading Lithium-ion battery manufacturer and supplier based in the UK supplying globally across various applications.

Britcell delivers advanced battery pack solutions engineered in the UK for diverse sectors, from automotive to medical and industrial applications. With a focus on safety, innovation, and ...

Discover the top 12 Lithium Ion battery manufacturers in the UK. Choose from industry-leading companies for quality products and cutting-edge technology.

British lithium battery pack supplier

Discover reliable and high-performance lithium-ion battery solutions in the UK. Our cutting-edge technology powers diverse applications, from electric vehicles to renewable energy systems. Partner ...

Cell Supply Ltd The leading UK source for bulk lithium-ion batteries, battery management systems and pack building accessories. Reliably supplying EV, Military, Personal Transport, Solar and ...

PMBL design, manufacture and assembly custom battery packs for commercial applications including electronic devices, medical, oil and gas and wearable technology.
