

China china all in one solar system manufacturer

Who is Shanghai Jinsun new energy?

At Shanghai JINSUN new energy, we are committed to driving the global transition to clean energy. With years of expertise in the renewable energy industry, we specialize in providing high-quality solar panels, hybrid solar systems, solar inverters, solar batteries, and wind power generators.

How many factories does OneSun have?

It currently has two factories engaged in the development and production of lithium batteries and inverters. It vertically integrates PV panels, solar inverters, Li-ion batteries and accessories to provide customers with a complete set of PV energy storage products. ONESUN regard quality & safety as our lifeline.

Where is Sunplus new energy technology based?
