

GoodWe GW60K-MT photovoltaic grid-connected inverter

View and Download Goodwe GW60K-MT introduction manual online. 50kW-75kW solar engines. GW60K-MT engine pdf manual download. Also for: Mt series, ...

The flagship of its C& I inverter solution suite, the GoodWe 480V inverter is designed for medium to large-scale C& I installations. The SMT-US inverter is an advanced and cost-effective string inverter ...

ries G2 (Four-MPPT, Three-Phase) The second generation of GoodWe MT series inverter is suitable for medium and large scale commercial rooftops and ground-mounted solar PV systems where ...

GOODWE Three-Phase 50kW Inverter belongs to the SMT line, used in commercial rooftop installations with complex layouts. Thanks to its high efficiency levels and a maximum of 6 MPPT and 12 inputs, it ...

The SMT inverter is a three-phase PV string grid-tied inverter. The inverter converts the DC power generated by the PV module into AC power and feeds it into the utility grid.

GoodWe GW60K-MT is a three-phase commercial inverter for rooftop and utility PV systems. It delivers high efficiency, multiple MPPT channels, and robust protections. Designed for stable energy ...

Output Current (A) Output Power Factor. Max. Efficiency 98.7% 98.8%

The GoodWe GW60K-MT is an innovative solution of GoodWe for solar installations with connection to three-phase network. The MT series inverter is small, light and easy to install.

Certifications & Standards Grid Regulation RS485 or WiFi or PLC 60 586*788*264 IP65 <1

GoodWe SMT 50-60kW Series inverter is ideal for medium and large-scale commercial installations. Harvest solar energy and generate environmental-friendly power for increased return on investment ...

GoodWe GW60K-MT grid-connected inverter
