

KW uninterruptible power supply

Galaxy VS is a highly efficient, modular, easy-to-deploy 10-150 kW 3-phase uninterruptible power supply that delivers top performance to critical IT, commercial, and industrial facilities.

ULTIMATE UPS SOLUTION - providing uninterrupted power and protection against noise, lightning, and leakage current. LED, HID, Incandescent, Fluorescent.

Ideal for large data centers, healthcare facilities, multi-tenant data centers and light industrial environments, this UPS family helps reduce energy costs and lower total cost of ownership while ...

An uninterruptible power supply, or UPS, is basically a surge protector, battery, and power inverter -- which turns the battery's stored energy into usable power -- in one.

Need help choosing Uninterruptible Power Supply (UPS)? Use this simple selector to find the best fit for your needs.
