

Off-grid solar-powered container for Congo's catering industry

Our off-grid refrigerated containers use solar energy to maintain ideal cooling conditions, ensuring freshness and reducing waste. Equipped with high-performance compressors and evaporators, our ...

Designed for high-performance, temperature-controlled cold storage, Solarators® operate as efficiently as industrial freezers and chillers--without the fuel costs, emissions, or grid dependency.

After harvest, small producers can use our GreenBox solar-powered coolers off-grid, allowing them to have a longer shelf life and therefore negotiate better prices.

Mobile solar powered refrigerated container for reliable off-grid cooling of food, farm produce, and medical supplies.

Cool-Watt® is a solar power plant designed as a 20 feet maritime container, pre-cabled and pre-tested so that it can be deployed in less than 1 hour without civil engineering or specialists.

The off-grid box is wired and ready to run, allowing you to take solar-powered refrigeration anywhere in the world. Simply set up the solar panels to enjoy to harness the solar power.

The report is a blueprint on how to design and build an energy-efficient, high-quality cold room that uses solar photovoltaic panels, thermal and battery storage, and natural, environmentally ...

Sokofresh's solar-powered cold storage units provide a clean, affordable alternative. These units are equipped with energy-efficient cooling ...

With containerized solar, reliable power in Congo's toughest environments isn't just possible - it's profitable. Let's discuss how modular solutions can light up your operations.

The Aldelano Solar ColdBox(TM) is an industrial-grade, portable, solar-powered cold storage mini-warehouse that provides a completely renewable power source, offering both refrigeration and ...

This research presents technologies that provide solar off-grid cold storage to houses, health centers, retail shops (off-grid refrigerators), and small farms or street markets (off-grid cold ...

Off-grid solar-powered container for Congo s catering industry
