

Emerging markets in Africa and Latin America are adopting mobile container solutions for rapid electrification, with typical payback periods of 3-5 years. Major projects now deploy clusters of 20+ ...

Discover how modular containerized energy storage systems are reshaping power management in Zagreb - and why customization holds the key to sustainable energy solutions.

In a bold move to meet soaring global demand for energy infrastructure, Croatian firm Koncar and its long-time partner Siemens Energy will invest EUR260 million to expand their transformer ...

The new EL-TO Zagreb CCPP unit, with electrical output of 150 MWe and heat output of 114 MWt is the largest individual investment of Hrvatska elektroprivreda in new generation facilities in the last ten years.

All works must be carried out without jeopardizing continuous electricity and heat production and distribution to customers (3 phases). Aggravating circumstances: COVID outbreak, Zagreb ...

The new highly efficient combined-cycle cogeneration unit EL-TO Zagreb CCPP, ...

Construction of the expanded plant is scheduled to begin in 2026, with completion expected by 2031. The investment aims to increase production capacity from the current 30,000 ...

The new unit at EL-TO Zagreb, which was announced as HEP's largest investment in new generation capacities in the last ten years, will replace existing outdated units and reduce ...

We manufacture asynchronous generators for diesel engine drives designed for operation in nuclear power plants or for installation onboard vessels. Such generators supply auxiliary circuits in nuclear ...

The new highly efficient combined-cycle cogeneration unit EL-TO Zagreb CCPP, with electrical output of 150 MWe and heat output of 114 MWt will be a pillar of reliable electricity and heat supply of the City ...

Our production processes and material handling systems provide full traceability, supported by a team of skilled engineers, certified welders, and quality inspectors who uphold the highest standards in the ...

Zagreb container generator production
